There's a question burning in my mind, and while that might sound like the beginning of a country song, there really is a question haunting me. No, it's NOT the meaning of life or the square root of um, let see, 735 (it's 27.1108834, by the way). Newspaper people are a different kind of folk – and yes, I was one of those strange ones for a whole lot of years. It has been said that we have inquiring minds. Okay, so back to the question. . . um, uh, uh, um. I forgot. No, here it comes – wait for it – I think it's coming back. . . oh no – it's gone. Oh well. It must not have been THAT important. If I think of it, I'll let y'all know.

At any rate, it seemed like the three months between Aug. 12 and Nov. 13 was indeterminate when Rev. Martin left town on sabbatical. And now, there are just 10 days until he returns to the office!! And, I've got to tell you: I'm excited – I'm relieved – I'm grateful! So, what changed the most around the church while Pastor Scott was away?

It's difficult to narrow it down, but I'm pretty sure that it's the calendar linked to Google on an app for cell phones that we now have to manage our rented spaces in the fellowship hall and narthex and sanctuary. Thanks to Beth Bizer for setting it up and to Sam Ward for helping to get us going. There might be some kinks (some technical/some user) that will be ironed out, but we're off to a great start handling information in a new way and merging and growing the calendar's use. We also have had interest from some new groups renting our facilities, some for repeat events, others for one-time meetings or parties. The calendar will contain additional information concerning dates and times of the upcoming events, and a calendar will be posted in the office off the narthex as well as one being available online to help us track rentals. Council is considering utilizing other forms of communication also. More to come.

This past Sunday morning we enjoyed having the multi-talented Rudi Harst (Bennie's son) with us for a time of music, learning and fellowship. Rudi led the congregational singing of "When the Saints Go Marchin' In" and "This Little Light of Mine." He also performed the deep, insightful and funny "Absolutely Nothin'" and the very lovely, emotion-filled "The Last Farewell. The worship service also included a Service of Celebration and Remembrance for loved ones who have passed away in the last several years.

Rev. Ralph Ludwig and I shared responsibilities within the service.

Thanks again for the opportunity to serve you, Faith Church, and your people!

Sincerely, Pastor Janet Monroe Sherman, L.M.

Faith youth, adults spread Halloween fun at recent Family Promise fall event

On Sunday, Oct. 27, the youth of Faith Church participated in the Family Promise Fall Festival held at T Bar M. The festival event was held for the families who have graduated from the program, as well as those currently working toward

Many thanks to Carol and Eddie Martinez, the Perry Clarks, and the youth who accompanied them, for representing Faith Church. Our group hosted a booth with a bean bag toss, using the giant wooden pumpkin constructed years ago but happily put into service for the occasion. reported that although the turnout was smaller than hoped for, the families had a great time.

Several other host and support congregations joined our Faith Church group to help the families celebrate Halloween, an experience they certainly will remember with big smiles. Thank you also to everyone who donated Halloween treats that added to the fun.

Heart of Texas Association News

As previously announced, our **Heart of Texas Association Fall Meeting will be held Saturday, November 16th at Trinity Church of Austin, 4001 Speedway in Central Austin, <https://www.trinitychurchofaustin.org/>**. We are trying a new format for this meeting by having brunch with small sandwiches and hearty finger foods. Congregational Church of Austin is the host in charge of lunch, with major help from Trinity and other Austin cluster churches. The food will be available in the sanctuary and can be brought in at Trinity to eat, so we anticipate letting people get up to get food as they wish during the meeting, instead of breaking the meeting in two parts to have lunch. We will ask people to give a “love offering” of the amount you choose to help with lunch expenses. **Registration and brunch will begin at 10:30, the meeting will start at 11 with worship, and we anticipate ending by 2 pm.** Trinity has a parking lot directly across Speedway from the church. All from our Association churches are invited to join us for worship, in an offering to Friends of the Conference designated for new church starts, for making and renewing friendships, for a business meeting, for the Ecclesiastical Council of Cam Burton (James Cameron Burton), and possibly for a second Ecclesiastical Council. We also anticipate hearing from our seminary students. We also want to save paper so **we will be posting all documents for the meeting (Cam’s ordination paper, the agenda, reports, etc.) on the Heart of Texas Association website at hotaucc.org** a week before the meeting. **Bring a laptop if you can to be able to read items**, as we will only print a very small number of packets.

During the meeting, we anticipate voting on a number of items. We will be bringing to our membership a resolution of continued support for Licensed Ministry, joining with the rest of the South Central Conference in commitment to support this ministry which is being changed in some other areas of the United Church of Christ. We will be voting on a budget for the year to be presented by our Treasurer, Joe Ward. We will be voting to allocate a designated amount per person for scholarship money for the upcoming UCC National Youth Event this year, to be held at Purdue University in Lafayette, Indiana on July 22nd - 25th, 2020.

After the fall meeting, **Trinity will host the ordination of Cam Burton, pending a vote to approve him for ordination, at 3 pm, and all are invited to stay for this joyous event.** The timing for this ordination is unusual, as we normally wait about a month to ordain someone who has a call to a ministry site after an Ecclesiastical Council. However, Cam is coming into the UCC from the United Methodist Church, which has a path for chaplaincy ministry that does not require ordination as our UCC process does. Cam is already a certified chaplain with the Association of Professional Chaplains, having served on the chaplain staff of St. David’s South Austin Medical Center for over 7 years where he currently serves as the Spiritual Care Coordinator. For Cam to continue his board certification and ministry at St. David’s after ordination in the UCC, he needs to be ordained and then endorsed by the national UCC chaplain endorser as quickly as possible.

We hope many of you can come to our Fall Meeting and stay for the ordination we anticipate happening. And, to add some fun, we will be having dessert and a door prize at the end of the meeting. Come and see what goodies we come up with!

Blessings in Christ, Liz Nash, Association Minister
